<sup>1</sup>Stratos Wealth Partners, an SEC Registered Investment Advisor, manages over \$9.00 billion in advisory assets, and advises through LPL Financial, over \$7.56 billion in brokerage and third party managed assets for a total of \$16.56 billion as of March 31, 2021.

\*The rankings are based on data provided by individual advisors and their firms. Advisor data is confirmed via regulatory databases, cross-checks with securities firms and conversations with individual advisors. The formula Barron's uses to rank advisors is proprietary. It has three major components: assets, managed, revenue produced and quality of practice. Investment returns are not a component of the rankings because an advisor's returns are dictated largely by the risk tolerance of Clients. The quality-of-practice component includes an evaluation of each advisor's regulatory record.
