### **“San Antonio financial consulting firm enhances staff”**

SAN ANTONIO, Tx. – Veteran San Antonio business woman Kim Nourie CPA, CFP® has joined Business Financial Group effective June 1. Nourie’s extensive background in the financial services industry boosts the firm’s ability to provide top-notch advice to business owners, professionals, key executives and their employees.

Nourie joined Business Financial Group as a Financial Consultant in the Individual Financial Consulting division. Previously, she was a financial planner and wealth manager. Nourie also has held various managerial and financial oversight positions during her career, including as Senior Vice President at a local financial consulting firm, and as Vice President and Director of Financial Reporting at CB Richard Ellis. Her career has included stints in corporate accounting, auditing, and health benefits analysis.

Nourie has also served on several influential industry boards, including as past board member for the Financial Planning Association of San Antonio and South Texas, and the Junior League of San Antonio. She currently sits on the boards for St. Peter-St. Joseph Children’s Home and Cressie Animal Rescue & Enrichment.

“We are extremely excited to have Kim join our team. The wealth of knowledge she brings - from her community involvement and extensive financial consulting background – can only benefit our clients who tend to be similarly engaged in their own communities,” said Lynn Weirich, AIFA®, RHU, CLU, ChFC, who is President and co-founder of Business Financial Group. “Similarly, we look forward to serving and enhancing Kim’s relationships with her existing clients.”

Clients today have varied needs. As a result, a team of specialists is often required to make sure each client gets the best advice and service. Nourie said the new alliance was irresistible because it provides significant additional resources for addressing the broad needs of her existing clients.

“As financial planners, we want our clients to be prepared for the future ahead,” Nourie said. “By joining forces with Business Financial Group, I have taken steps to ensure that my clients will be surrounded by a team of well-educated and highly skilled planning professionals for generations for come.”
