Dear Steve:

I would like to sincerely thank you for participating in Louisiana Seniors '90 and for conducting the workshop on Providing for Long Term Care. I understand your workshop was a big hit.

Times have been tough in Louisiana, and the elderly are often the first to suffer when resources are scarce. You made it possible for many seniors to have a really nice and informative day in pleasant surroundings. They are grateful, and so am I.

Again, I appreciate all of your help in making the Louisiana Seniors '90 conference such a success and I look forward to working with you on issues of interest to seniors and other matters in the months ahead.

With kindest regards, I am

Sincerely,

J. Bennett Johnston  
United States Senator
